Distinguish ME

SENIOR SCHOOL
Years 11–12

A focus on academic choice, career pathways, mentoring and leadership ensures PLC girls **distinguish** their personal identity.

- Choice of IB Diploma or WACE (only girls' school in WA)
- Emphasis on personal wellbeing and clear personal pathway
- Access to library and teachers after hours
- Mentoring programme both in school and as an Old Collegian

Personalised Learning

Pairing Year groups under our **ME**@PLC programme, combined with a comprehensive academic tracking model across the entire school, provides personalised learning experience for all PLC Perth students.

PLC is proudly an International Baccalaureate School, offering both the Primary Years Programme in Pre-Kindergarten to Year 6, and the Diploma Programme in Years 11 and 12. This provides more choice in both subject and course selection than any other girls' school in Western Australia.

The learning framework in Years 7 and 8 and Years 9 and 10 targets the specific needs of girls in these paired Year groups.

Academic Tracking

An academic leadership team will monitor your daughter's learning progression and acheivement and be the first point of contact for both you and your daughter on all academic matters.

The benefits of this programme include improved identification of any academic issues or extension requirements, supporting individual student needs, implementing intervention programmes and creating and monitoring academic benchmarks. The programme also includes study skills classes, learning profiling and free tutoring.

My Education

Discover ME

JUNIOR SCHOOL
Pre-Kindergarten to Year 6

Holistic, personalised teaching techniques form the foundation of inquiry learning in the PLC Junior School. Our students **discover** their personal talents, passions and character.

- Daily French and Music
- Positive partnerships with families
- Wild Space outdoor education
- International Baccalureate Primary Years Programme
- Year-level specific Wellbeing programmes

Develop ME

SENIOR SCHOOL
Years 7-8

The focus of a broad and holistic learning experience is on creating a sense of belonging where skills, understandings, connections and friendships **develop**.

- Pre-Year 7 Buddy system
- Study habits developed
- Mood Meter emotion coaching
- Broad subject offerings
- Service learning programme
- Homework club
- Inquiry learning focus
- Sport for all

Define ME

SENIOR SCHOOL
Years 9-10

During these years of significant intellectual, emotional and social development, PLC girls **define** their individual strengths and aspirations in an environment focused on both wellbeing and academic achievement.

- Elective subject choices
- Interest-based project
- Overseas and remote tours, plus exchange opportunities
- *Energy Audits* monitor stress and assist academic goals
- Preparation for Years 11 and 12 through learning profiling

ME@PLC

Our Commitment to personalised learning supports the focus on 'every ME at PLC'.

'**M**y **E**ducation' at PLC supports girls' progression through the School and assists them to take ownership of their education as they Discover, Develop, Define and Distinguish who they are and who they'd like to be.

Outdoor Education and Co-curricular opportunities

PLC boasts one of the most comprehensive Outdoor Education and Tours programmes on offer for girls in Australia. Experiences span Years 6-10 and include a host of leisure and family activities, with optional weekend and holiday offerings in Years 11 and 12.

PLC provides physical activity for every student in Years 7-10. Music and the Arts are also extremely popular, with over 700 music lessons provided per week. We also offer several international tours each year and regularly host foreign students.

Paired Year Groups

Pairing Years 7-8, 9-10 and 11-12 strengthens the development of targeted, age-appropriate, academic, wellbeing, leadership, sports, arts and service programmes.

This supports our commitment to both Personalised Learning and academic achievement through designated, year-specific senior staff responsible for the day-to-day pastoral care, academic and wellbeing needs of individual students.
